

# FACE COVERINGS

*TWO STYLES AVAILABLE*

**CLEAN**

1.800.GO.CLEAN | CLEANUNIFORM.COM

Due to the new CDC recommendations that cloth face coverings be worn in public settings to slow the spread of COVID-19, we have begun creating our own cloth face coverings to service our customers. We will print on the cloth in the CLEAN Store then send the deconstructed masks to our seamstress for completion.

*Please note: Cloth face coverings are non-medical-grade and are not intended for medical purposes, they are not surgical masks or N-95 respirators. They should not be used for health care workers or other first responders.*

### **The CDC States that Cloth Face Coverings Should:**

- Fit snugly but comfortably against the side of the face
- Be secured with ties or ear loops
- Include multiple layers of fabric
- Allow for breathing without restriction
- Be able to be laundered and machine dried without damage or change to shape

### **Should cloth face coverings be washed or otherwise cleaned regularly? How regularly?**

- Yes. They should be routinely washed depending on the frequency of use.

### **How does one safely sterilize/clean a cloth face covering?**

- A washing machine should suffice in properly washing a face covering.

### **How does one safely remove a used cloth face covering?**

- Individuals should be careful not to touch their eyes, nose, and mouth when removing their face covering and wash hands immediately after removing.
