

# CALLING ALL "SUPER SUPPORTERS" OF LOCAL BUSINESS

Now, more than ever, our small businesses need the Chamber's support and the Chamber needs your help. Since the onset of COVID-19 in our area, the Chamber has made a slight shift from the typical day-to-day operations, networking, and events and has evolved into an informational and resource hub for our members. Small businesses may not have had access to these valuable resources otherwise. Over the past several months, small businesses have been struggling and budgets are tight. We are seeking "Super Supporters" that are financially able to help local businesses by pledging funds to cover their annual membership to the Chamber.

## As a Chamber Super Supporter, you will:

- Help small businesses maintain access to the resources provided by the Fort Smith Regional Chamber of Commerce
- Ensure our businesses have uninterrupted membership in one of the region's largest membership business organizations
