

LEADERSHIP FORT SMITH

LEARN. CONNECT. LEAD.

Leadership Fort Smith Class of 2023 Application

Program Information & Selection Process

What do we do in Leadership Fort Smith?

Leadership Fort Smith consists of one overnight Opening Retreat and 10 day-long sessions from August to May that cover relevant, contemporary issues in our community. Some examples of session topics are Education, Economic Development, Healthcare, Local and State Government. Sessions are typically 7:45 a.m. - 4:30 p.m. Our sessions are full of one-of-a-kind experiences, information, and time spent with classmates.

Our motto "Learn. Connect. Lead." states our goal very simply -- to give participants learning opportunities, connect them to the community, and give them the tools to lead. We also use the phrase "back-stage pass" because our sessions give the class an amazing behind the scenes experience. It is both a professional development and community leadership program like no other!

Who can apply and how do I get in?

Anyone who lives or works in the Fort Smith area can apply for LFS. Be sure that all parts of your application are completed and turned in on time. The selection committee will review each application, including resume, letters of recommendation, and your essay responses. The selection committee is made up of volunteers from both LFS Alumni and the Chamber Board of Directors' Education Committee. Typically 25 people are selected each year and we always have more applicants than spots available. Alternates are chosen in the event that a participant cannot accept their spot in the class.

What is the selection committee looking for?

Leadership Fort Smith is designed to educate and motivate citizens to become leaders in our community. Participation in LFS comes with strings attached – we expect graduates to continue serving the Fort Smith Region, be a champion of community projects, and lead the future of Fort Smith. Therefore, the selection committee will be looking for both potential leaders and current leaders who have the ability to effectively participate in our community. The committee wants to see that an applicant has the motivation and the ability to work on projects or challenges, develop a solution, and take action.

I've applied before and was not accepted. Why should I apply again?

Each year the selection committee makes every effort to put together a diverse class, representative of multiple business sectors, backgrounds, ages, etc. There is always a chance that an applicant comes from a

crowded demographic pool that year. For example, if there are 15 bankers in the applicant pool, it's going to be less likely that a particular banker will be admitted that year. Conversely, if there is only one applicant from the non-profit field, it is more likely that individual would be admitted. Of course, the larger the applicant pool, the tougher it becomes to select only 25 participants – so please don't be discouraged if you are not admitted the first time. We strongly encourage you to apply again!

Why should I commit so much time away from work for Leadership Fort Smith?

Leadership Fort Smith is more than just another accomplishment on your resume. LFS is a professional development opportunity that benefits the employee, the employer, and our region. It is a commitment to your community and a call to action. The time spent learning and getting connected through the sessions is crucial to having the tools you need to be a leader in our community. Upon graduation, you will be connected to an active, energized network of alumni that will help keep you informed, motivated, and engaged in community efforts. The time spent with your classmates will create a special bond; you will build lasting friendships and a network of trusted colleagues.

I've lived in the River Valley my entire life. Why should I do Leadership Fort Smith?

The goal of the LFS curriculum is to provide our participants with a 'back-stage pass' experience. You are going to see, hear, and learn the ins-and-outs of many aspects of our region that most citizens wouldn't normally experience. We guarantee you will learn something at each session. In addition, the program will introduce you to other community-minded people from all different industries and backgrounds -- and maybe even get you out of your comfort zone!

Tuition and Funding

Tuition for each participant is \$1,500 which covers all program costs: meals, transportation, lodging, and materials.

In most cases, a participant's employer sponsors their tuition for the program. We ask that each participant make a personal financial commitment of \$250, due by August 18, 2022.

Financial arrangements can be made, if necessary. We do not want tuition to be a barrier for participation.

The selection committee will not review this information during the class selection process. The manner in which tuition will be paid will have no bearing on selection.

Tuition is non-refundable. If a participant drops out of the program or is removed from the program for any circumstances, tuition will not be pro-rated or refunded.

Tuition is paid directly to the Fort Smith Regional Chamber of Commerce and can be paid by cash, check, credit card, or bank draft.

Tuition Payment Options:

1. **Employer/Organization Sponsored:** Participant is responsible for the \$250 personal payment and employer/organization is billed for remaining \$1250 in tuition. Please let us know in the form below who the invoice should be sent to for payment.
2. **Personal Payment in Full:** The participant agrees to pay full tuition (or remaining tuition after scholarship has been applied) by cash, check, or credit card by August 18, 2022.
3. **Personal Payment by Monthly Payment Plan*:** The personal payment of \$250 is

due by August 18, 2022 and the remaining tuition can be paid out over 8 months (Sept. – April). In order to participate in the payment plan, an ACH (bank draft) form must be completed in our office before Opening Retreat. *Tuition must be paid in full on or before May 1, 2023.* If a monthly payment is missed, the LFS Director will reach out to confirm your continued participation in the program. If two monthly payments are missed, the participant may be suspended from the program until payments are no longer in arrears. *If selecting this plan, please see the signature required below.

Scholarship Information: Tuition Assistance is limited to applicants who represent a non-profit, government, or education institution. Scholarships will be considered by the committee **after** a participant has been selected for the program. *If a participant receives a scholarship, they are still responsible for the remaining tuition; the same policies apply to the payment of remaining tuition as outlined in the options above.* Scholarships will not exceed half of tuition. Scholarships are not guaranteed and are dependent on the annual support of LFS Alumni. Scholarship award and amount will be determined and eligible participants notified as quickly as possible after selection.
