Organization Details – Instilling Hope; Empowering Lives

Our Mission

Community Rescue Mission is a faith-based, Christian organization that instills hope and empowers the lives of families with children in crisis due to homelessness.

We provide safe shelter, meals, case management, and spiritual enrichment to prepare families to acquire jobs and live successful, independent, productive lives.

Community Rescue Mission receives no city, state, federal, or government funds. We are funded by the generosity of individuals, congregations, and foundations who support our mission.

We are supported by the amazing generosity of our community. We have the following planned fundraiser for the upcoming year and would be honored to receive your support as we help empower families in crisis in our community.
